

## POST-DOCTORAL RESEARCH FELLOW

*Organization: Health Economics & HIV & AIDS Research Division (HEARD)*

*Type: 1 Year Fixed Term Scholarship (Renewal of this post is subject to performance & funding availability)*

*Location: University of KwaZulu-Natal, Durban, South Africa*

HEARD is looking to appoint a Post-Doctoral Research Fellow on a 1-year fixed term scholarship commencing January 2022. The purpose of the scholarship is to support HEARD in its role on focusing on psycho-social and behavioral issues associated with adherence to ART among young people living with HIV.

***Focal Area: SHRH/HIV programming, specifically focusing on psycho-social factors associated with Antiretroviral Adherence among People Living with HIV and members of sexual minority populations.***

### MINIMUM REQUIRMENTS

- A PhD in a relevant discipline (psychology, economics, development studies, and other relevant social sciences) awarded within the last 5 years or recently submitted.
- A research track record in social and or behavioural research in relation to HIV and/or publication record.
- Keen to work in collaboratively with other academics, NGO's and target group organizations.

### ADVANTAGES

- Strong analytical and writing skills in English, demonstrated through high quality peer-reviewed journal articles.
- Understanding of social and structural issues related to the management of HIV in Eastern and Southern Africa.
